5. OFSAA:

Our Tier 1 league champion will represent our Association at the provincial championships. Our champion will be provided with the rules that govern this event.

6. Governing Rules:

Major League Baseball rules will apply with some exceptions:

- a) Refer to the current OPHEA safety guidelines for this sport
- b) No pitcher is to pitch more than 12 outs per game.
- c) All games to be 7 innings (subject to mercy rule – 10 run lead after 5 or more complete innings) and for the first game of a double header, no new inning will start after 2:45 pm and the game will end no later than 3:00 pm. For a single header or the second game of a double header, no new inning will start after 5:00 pm and the game will end no later than 5:15 pm. Only the semi-final playoff games will be mandatory 7 innings. All other games shall be subject to the mercy rule and curfew.
- d) Points to be used for standings – 2 points for a win – 1 point for a tie – 0 points for a loss.
- e) Re-entry: With the exception of the pitcher, each starting player may reenter the game once. In the event of an injury and no available eligible player on the bench, a team may reenter a player who has previously withdrawn from the game – at the umpire's discretion.
- f) Contact Rule: runners are instructed to slide or attempt to avoid making contact with a fielder. A player who maliciously runs into another player is to be declared out (unless he/she has already scored prior to committing the infraction) and is to be automatically ejected (whether or not declared safe). Contact shall be considered malicious if the contact is the result of intentional excessive force, and/or there is an intent to injure. Malicious contact is to be penalized whether committed by an offensive or defensive player. The Umpire shall determine whether contact was avoidable or unavoidable – whether the runner was trying to reach the base or attempting to dislodge the ball from the fielder. If the runner: a) could have avoided the fielder and reached the base, or b) attempted to dislodge the ball, the runner is out even if the fielder loses possession of the ball. The ball is dead and all other runners shall return to the last base legally occupied by them at the time of the contact. If the fielder blocks the base path, the runner may slide into or collide with the fielder as long as the runner is making a legitimate attempt to reach the base. If the collision is flagrant, the runner is called out and ejected. The ball is declared dead. If the defensive player blocks the base path clearly without possession of the ball, obstruction shall be called. The runner is safe and a delayed dead ball is signaled. If the runner collides flagrantly, he/she shall be declared safe due to obstruction but shall be ejected. The ball is dead.
- g) Designated Hitter:
 - i) A designated hitter may be used for the pitcher. OBA rules apply.
- h) Blood: Any blood seepage is to be bandaged and any fresh blood-soiled clothing replaced before the player is allowed to return to the game. The player is to be allowed to exit and reenter the game without penalty.
