- f) Runners must run the same race at OFSAA as at the York Region Championship.
- g) Only runners competing in a particular race are allowed to run.
- h) A Jury of Appeal will be established annually at the pre-season coaches' meeting. This Jury of Appeal will deal with any disputes arising on the date of the Meet.
- i) Meet Officials: The convenors and the Meet Committee are the officials at a cross country meet. If a competitor is judged by the convenor or Meet Director to have been involved in unsportsmanlike conduct, at any time during the competitive day, he/she shall be disqualified from further competition until his/her actions have been reviewed by a Board of Reference.
- j) **Competition Format:** There will be six races:

Novice Girls and Boys 4km +/- 400m
Junior Girls and Boys 5km +/- 400m
Senior Girls and Boys 6km +/- 400m

The course must be clearly marked.

- j) Scoring:
 - i) Team Score – Each age category's team score is determined by adding together the finishing positions of their top four finishers. Hence, the team with the lowest score wins. A tie in team score is broken by the fourth place runner. The team whose fourth place runner is first across the finish line gets the higher finishing position.
 - ii) For individual sports (eg. Golf, tennis, cross country, swimming, wrestling, alpine skiing, snowboard, badminton, track & field, table tennis and mountain bike) Bill Crothers SS teams are ineligible to win the team championship and points accumulated by individuals will not be totaled.

Individual sport student-athletes from Bill Crothers SS that are not affected by the Sport School/Sport Academy exemption outlined in article 13 section 5 of the YRAA Constitution, may qualify for OFSAA competition only as individuals and may not qualify as part of a team unless there is an "open" category in that sport.
 - iii) Over-all school champion will be awarded to the school acquiring the greatest number of points on team standings from each of the six age class races. The points are to be awarded on a 20, 16, 12, 8, 4, 2 basis for the first six place teams in each age category and a point structure of 6, 5, 4, 3, 2, 1 for the top six individuals in each race. A school does not have to compete in all age category races in order to be declared champion. If a tie occurs in the overall championship, it will not be broken.
